Science Fair Judges Needed

Volunteers are needed to judge our middle school science fair projects on Friday, February 22nd from 8:00 a.m. until about 11:30 in the FCC. Any volunteers would be paid in donuts, coffee, and a free lunch in appreciation for your time!

Please note, no experience is necessary and you do not need to have a child in middle school to volunteer. Grandparents, aunts and uncles are all welcome to judge. The only requirement is that you have had Virtus training, a background check, and have completed the Volunteer Code of Conduct.

If you are able to volunteer, please email me at jthamert@ststephenchurch.org.

I appreciate your help making this a great science fair for our students!
